

EUCYS info - July

Sunny Greetings From Helsinki!

It is less than 73 days remaining to the beginning of EUCYS 2011!

We hope that most of you have already received your preliminary travel arrangements from our travel agent and have remembered to accept these propositions if they are suitable. The actual tickets will then be sent to you during August. We also hope that those participating nations who are taking care of their own travel arrangements would send us their arrival and departure times. We have reserved accommodation at the Cumulus Hakaniemi hotel for everyone, including those who are responsible for the costs themselves. Everyone attending the contest event must arrange travel insurance in their countries of origin. Many countries have concluded bilateral health care agreements, while in Europe you should get your European Health Insurance Card before travelling.

We would like to remind that the registration for visitors is open until the end of July.

Acceptance of the projects has started at the European Commission and we hope it will be completed and the final list of participating contestants will be published soon.

As before, if you have any questions don't hesitate to ask us personally or at info@eucys2011.fi

Have a nice summer!

EUCYS 2011 Team
